PROFESSIONAL SUMMARY

Experienced iOS developer building and optimizing mobile applications with Swift, SwiftUI, and Combine. Recently implemented AI developer workflows that 3x engineering output at a Fortune 500 company. Proven expertise designing, testing, and deploying end-to-end app development and CI/CD pipelines.

SKILLS

- **Languages and Frameworks:** Swift, SwiftUI, UIKit, Combine, MVVM, Swift Package Manager, CocoaPods, XCTest, XCUITest, Objective-C, Swift Data, Python, TypeScript, Accessibility, SQL
- **Managing CI/CD pipelines:** Fastlane, CircleCI, Docker, Github Actions, Jenkins
- **Backend API Integration:** REST, gRPC, GraphQL, Firestore, Parse Server, AWS
- **AI Workflows:** Claude Code, automation, skill creation, MCP management
- **Software/IDEs:** Xcode, Cursor, Claude Code, App Store Connect, TestFlight, Visual Studio Code, Postman, Proxyman, Figma, Marvel, DataGrip, Sourcetree
- **Version-control:** Git, Github, Bitbucket
- **Spoken Languages:** English, Croatian

NOTABLE PROJECTS

- **MailChimp**
Industry leader in managing marketing campaigns with over 50k DAU. Implemented high-impact, AI-first features.
- **HSC Go (U.S. Department of Defense)**
A greenfield SwiftUI app to facilitate military personnel relocation. Implemented 500+ requirements for security, privacy, offline access, and analytics. Built a robust, modular codebase using SwiftUI and Combine.
- **Dolly Customer & Helper (On-demand moving service)**
Managed a full redesign and refactor, delivered A/B-tested features and CI/CD pipelines that improved deployment efficiency and app stability.

EXPERIENCE

SENIOR iOS ENGINEER

Intuit | Atlanta, GA

September 2025 - Present

- Engineered AI developer tooling with Claude Code, automating onboarding, Jira ticketing, PR reviews, and test generation, significantly reducing manual workflow time
- Shipped AI-driven chat in MailChimp's Inbox feature, driving lift in customer engagement
- Engineered an AI-powered email campaign editor, shipped to the app's 50K+ daily users
- Launched WhatsApp marketing channel integration in MailChimp mobile, extending reach for users across a new messaging platform
- Restored UITest suite with modernized mocked architecture, raising test coverage by 25% and reducing regression risk

SENIOR SOFTWARE ENGINEER

Updater | New York, NY

April 2021 - June 2025

Managed the Updater app suite delivering end-to-end solutions for the moving industry, including a specialized app for the U.S. Department of Defense.

- Led full redesign and refactor of Updater's iOS codebases
- Introduced modern architecture with SwiftUI + Combine.
- Delivered 30% greater conversion rate via A/B tested feature rollouts
- Implemented robust CI/CD pipelines for mobile team

PRINCIPAL APPLICATION DEVELOPER

Reatro Ventures, LLC. | Boca Raton, FL

December 2017 - April 2021

Lead developer of mobile applications at Reatro Ventures, collaborating with a close-knit team to ship client ideas to the App Store.

- Worked directly with clients to scope, prototype, and launch mobile apps
- Collaborated closely with the design team, wireframing and prototyping
- Developed, tested, and launched apps, providing lasting support

LEAD iOS DEVELOPER

MojiLife Inc. | Boca Raton, FL

August 2016 - December 2017

Managed, implemented, tested, and deployed all versions of a highly complex 3-1 Social Media app:

- Built and maintained features such as profile management, Tinder-like dating interface, chat, push notifications
- Integrated third-party services: Google Places, Maps, Instagram, and Facebook.

LEAD iOS DEVELOPER (CONTRACTOR)

Npute Inc. | West Palm Beach, FL

August 2015 - May 2016

Developed a high-end classifieds iOS app:

- Implemented features such as map integration, Craigslist feed, and secure Chat.
- Used Swift, MapKit, custom RESTful API, and open source libraries imported via CocoaPods.

SOFTWARE DEVELOPER / iOS DEVELOPER

Bass Egg Inc | West Palm Beach, FL

August 2014 - June 2015

- Android tablet app used in trade show display booths.
- iOS app companion app for speaker hardware
- Used CoreAudio and AVPlayer for low-level audio control

EDUCATION

BACHELOR OF SCIENCE | Computer Science

Palm Beach Atlantic University | West Palm Beach, FL

December 2014

- Treasurer, Computer Science Club
- Winner, 2012 computer game programming contest

INTERNATIONAL BACCALAUREATE | Computer Science

The American International School of Zagreb, CROATIA

May 2011

- Student Government
